## Unleash the Power of E-marketing

In recent times, businesses have had to become smarter in their marketing activities to ensure they stay competitive. They face the dual challenge of ensuring that they are effectively communicating with existing customers and prospects while keeping costs to a minimum.

E-marketing (or email marketing) is one of the most popular marketing communications methods favoured by companies today. However, the load and blast approach to e-marketing does not achieve the best results.

Sage E-marketing for Sage CRM gives users the opportunity to gain new customers and get closer to existing customers without ever having to leave Sage CRM. It provides easy to use functionality to enable users to execute high-quality, targeted e-marketing campaigns to generate leads. Users can benefit from a simple 3-step wizard to easily create new e-marketing campaigns and a choice of over 90 templates to get started immediately.

With Sage E-marketing for Sage CRM, users can create drip marketing campaigns quickly and easily, automatically delivering email communications to the right people at the right time for maximum impact. Open, click and bounce rates are automatically tracked, enabling marketers to calculate accurate ROI and deliver hot leads to the sales team. Campaigns can be cloned easily to allow users to share best practice with colleagues and for consistent execution of future campaigns.

## Close the Loop with Telesales

Targeted groups can be quickly and easily created within Sage CRM using filtering features enabling users to segment campaigns to specific a group of prospects or existing customers. This ensures that all communications are focused on the groups that will provide the highest return and generate the most leads for the sales team.

Once the e-marketing campaign has been executed, a telesales call list can be created based on e-marketing responses, closing the loop between email and telesales.

Sage CRM web self-service can be linked to e-marketing campaign landing pages. This will not only help drive prospect and lead generation but will also assist with customer retention campaigns for existing customers.

## Measure Campaign Results

With Sage E-Marketing for Sage CRM, responses can be analysed in real-time and campaigns can be tweaked continuously to ensure that companies get the maximum ROI from each and every campaign. From open rates to click and bounce tracking rate, this easy-to-use feature will not only help quantify the success of an e-marketing campaign but will allow users to pinpoint exactly how they can improve their communications and keep customers and prospects engaged.

With Sage E-marketing for Sage CRM, you can edit your templates, manage your campaigns, track your campaigns and share best practice with colleagues, all from within Sage CRM.

## Email send limits and Users

Sage E-marketing for Sage CRM comes with a 2 user licence with a send limit of 2,000 emails per day. Should customers need to purchase additional emails they can purchase an additional 1,000 email bundle. In a similar way new users can be added to the account at a low monthly cost.
